

Home learning activities for use on school closure days

The following is a list of websites and activities which could be used to support your child's learning in the event of a school closure, due to adverse weather or for any other reason. Whilst we have chosen websites that we believe to be broadly suitable, please ensure that you are aware of content before sharing with your child.

For information of what is being covered in your child's class this term, please refer to the class termly newsletter which is also available on the school website under class information.

Primary 1 – Primary 3

Website	Comments
https://education.gov.scot/parentzone/learning-at-home/	Education Scotland's website to share ways of supporting your child's learning at home.
https://www.educationcity.com/	Login using your child's password to access activities.
https://www.storynory.com/	Listen to a story and then tell someone about it – what happened in the story, who was your favourite character, etc.
https://www.bbc.co.uk/bitesize/primary	Choose the appropriate level (Primary 1 – Primary 7) from the Scotland tab and this will take you to resources and activities across a range of curricular areas.
http://www.familylearning.org.uk/	A variety of literacy, numeracy and healthy living activities – use toolbar on left hand side to navigate to different areas
https://www.topmarks.co.uk/maths-games	Choose the age appropriate tab and then select a category to view a variety of online games to support learning.
https://www.topmarks.co.uk/english-games	
https://naturedetectives.woodlandtrust.org.uk/naturedetectives/	Woodland Trust Nature Detectives – games and download packs
