

Home learning activities for use on school closure days

The following is a list of websites and activities which could be used to support your child's learning in the event of a school closure, due to adverse weather or for any other reason. Whilst we have chosen websites that we believe to be broadly suitable, please ensure that you are aware of content before sharing with your child. For information of what is being covered in your child's class this term, please refer to the class termly newsletter which is also available on the school website under class information.

Primary 4 – Primary 7 Websites

- Education Scotland's website to share ways of supporting your child's learning at home.
<https://education.gov.scot/parentzone/learning-at-home/>
- Listen to a story and then tell someone about it – what happened in the story, who was your favourite character, etc
<https://www.storynory.com/>
- Choose the appropriate level (Primary 1 – Primary 7) from the Scotland tab and this will take you to resources and activities across a range of curricular areas.
<https://www.bbc.co.uk/bitesize/primary>
- Read or watch the latest Newsround report. Can you tell someone about it?
<https://www.bbc.co.uk/newsround>
- Reading, numeracy and healthy living activities – use toolbar on left hand side to navigate to different areas.
<http://www.familylearning.org.uk/>
- Resources and activities to explore the science of weather.
[First explorations - Met Office](#)
- Activities from Woodland Trust – outdoor learning.
[Activities - Woodland Trust \(treetoolsforschools.org.uk\)](http://www.treetoolsforschools.org.uk)
